Dear Parent/Carer

ENDEAVOUR HOUSE REWARDS EVENT

At Meden School there is a strong and healthy competition that occurs between the three House; Endeavour, Challenger and Discovery. Targets are now set to see which House is the best in terms of attendance, achievement and behaviour. Since Christmas, the focus has been placed on which House would have the fewest behaviour points. Behaviour points are awarded for a range of issues, such as; no homework, incorrect uniform and disruption.

I am pleased to inform you that your child has been part of a successful Endeavour House team, which saw us end the term with the fewest number of points out of all the Houses. This is a fantastic achievement by all the students in Endeavour and I hope this will be the start of many more victories, giving us more opportunities to celebrate our successes.

As a reward, I would like to offer your child the opportunity to stay behind after school on TUESDAY 4TH MARCH to take part in different activities. Activities will begin at 2.45pm and finish at 4.30pm. All activities will be completed on school site and supervised by members of the Endeavour House team. Students will be able to change into casual/sports clothing as required.

Please be aware that certain activities will be limited due to health and safety. They will be required to remain on the activity allocated to them. The activities available are listed below;

1) Football on the Astroturf
2) Badminton in the Sports hall
3) Film in the Main Hall
4) Games/computers in E8
5) Arts and crafts in A6
6) Swimming (places will be limited for this activity due to health and safety). Swimming will also finish at 3.45pm

The school minibus will be used to transport students home IF they normally catch one of the SCHOOL buses. If transport is required, then please highlight this as appropriate on the reply slip. Students requiring the minibus home will be expected to meet in the Main Hall at 4.30pm

This afternoon is designed to celebrate our achievements and I look forward to seeing many of our students there!

Yours faithfully,

Craig Gibbison
