Invitation to Meden College Open Evening

Meden College would like to invite you and your child to our Sixth Form Open Evening taking place on **Thursday 17th October 2024**.

This evening will provide an opportunity for you to learn more about our Sixth Form offerings and for your child to make informed decisions about their next steps in education.

Please join us from **5.30pm** for refreshments and to register your attendance, with the event starting promptly at **6.00pm**.

The evening will include important information about:

- The college and its application process
- Entry requirements into the college and specific subjects
- Subject blocks and key information about choices
- A presentation from subject leaders outlining the courses on offer

Each subject will have a 10-minute talk providing an overview of what the course entails and what students can expect. Some of the subjects you may not have encountered before include:

- **Psychology** – exploring the scientific study of the mind and behaviour, understanding how individuals think, feel and act.
- **Sociology** – delve into the study of society and social behaviour, examining how individuals interact with groups and institutions
- **Criminology** – investigate the causes, consequences and prevention of crime, exploring criminal behaviour and the justice system
- **Extended Project Qualification (EPQ)** – an independent research research-based project student study alongside their 3 a-levels. The course involves students planning, researching and creating something linked to a topic of their course. This counts towards points for their chosen universities.

The final hour of the evening will provide an opportunity for students and parents to move around the hall, speak with subject staff and view examples of student work to gain further insights into the courses available.

We strongly encourage both you and your child to attend, as this evening will provide the information and guidance necessary to make the best choices for their future.

Please do not hesitate to contact the Head of College with any queries ahead of the evening. We look forward to welcoming you on 17th October.

Kind regards,

Mrs Holly Smith
Head of College (hsmith@medenschool.co.uk)

MC MedenCollege

Open Evening

Come along & see for yourself what

MC MedenCollege can offer you

Thursday 17th October 6pm – 8pm

Doors open at 5:30pm for a prompt start at 6pm
