Dear Parent/Carer

As is customary at Meden School, the final day of term, Thursday 25th July, will be a non uniform day. Unlike other non- uniform days, we will not be asking for a donation to a charity, but instead we want to celebrate diverse cultures, backgrounds, and interests that make our school community so unique and vibrant

The theme for the last day of term will be, 'Show your Colours'

On this day, we encourage all students to come to school dressed in colours that are meaningful to them. This could be:

1. The colours of their heritage, representing their cultural background.
2. The colours of their favourite sports team, showing their passion and enthusiasm for their sport.

The purpose of this event is to celebrate the wide variety of cultures and backgrounds within our school while uniting us all as one community. By showing our colours, we emphasize that no matter our individual differences, we stand together in equality and unity. Here are some guidelines.

Cultural Colours:

Students may wear traditional attire or clothing that represents their cultural heritage. This is a wonderful opportunity for students to share and take pride in their backgrounds.

Sports Team Colours:

Students can wear any clothing that features the colours of the sports teams they support. This helps to highlight our shared interests and passions.

Respect and Inclusivity:

We ask that all students respect each other's choices and celebrate the diversity of our community. Our goal is to foster an environment of mutual respect and understanding.

Please note that all clothing should be appropriate for school and must not be skimpy, revealing nor contain any offensive logos.

This Non-School Uniform Day is more than just a break from the usual dress code. It is an opportunity to learn from one another, appreciate our differences, and reinforce our commitment to treating all backgrounds with equal respect. We look forward to seeing the wide range of colours that our students will bring to Meden School on Thursday 25th July.

Thank you for your continued support

Mr W Byrne
Associate Senior Leader
