

Y11 Leaving Date and Leavers Day Celebration

Dear Parent/Carer,

Thank you for all your support during this examination season. I am writing to let you know about the arrangements for when Y11 students finish school.

Please see the table below for details of when students have their last day in school.

Most students will finish after their science exam on Monday 16th June, however, students that study Spanish, Design and Technology, and Further Maths are expected to attend school for their warm-up sessions, as well as the examination.

If your child cannot get home after an exam or a warm-up, please inform cwild@medenschool.co.uk and we will arrange for them to stay in school.

Leavers day – Friday 20th June – 9:30am-11:25am

Please be reminded that students need to wear full school uniform for their examinations and are not to wear leavers hoodies or start signing shirts until leavers day and until their last official day stated in the table above, they must be in school full time.

Laptops /Library books

Please ensure that you return any laptop/chrome book that you have been loaned by school. You can give this to your tutor. Also, if you have any library books please speak to Mrs Kennedy, even if you can no longer find a specific book. These need to be returned before you officially leave school.

Uniform Donations

If you have uniform or equipment that you no longer need, school is always grateful for donations than can help other students. Unwanted uniform can be left in reception as they leave or handed in afterwards or donated to the Warsop Uniform Support Service at the Lifespring Church in Warsop.

Thanks again for all your help and support in getting our students through this very challenging time, they have been truly amazing and a credit to themselves, you and the school.

Kind regards

Miss C Wild
