

## Year 13 Information Evening

September 21, 2021

Dear Parents/Carers,

It has been wonderful to see Y13 students return to school with an excellent attitude to learning this September. They have really impressed staff with their willingness to learn and determination to succeed.

As this is an important and pivotal year for your children in Y13, we would like to invite you to an information evening on Wednesday 29<sup>th</sup> September, from 6 pm to 7 pm.

The intention of this information evening is to share the following:

- Key dates throughout the year
- Expectations in lessons and for homework
- Advice on helping your child manage the challenges of y13
- An overview of the UCAS process
- The opportunity to discuss effective revision techniques

From 11<sup>th</sup> October 2021 your children will be sitting assessments in all of their subjects. These assessments will help their teachers to know what knowledge and skills they will need to prioritise, in order that our students achieve their very best over this next year. The students will receive information from their subject teachers on what they need to revise, and how best to do this.

As always, if you have any questions, please do not hesitate to contact your child's tutor, in the first instance.

Kind regards,
