Re: Yr.9 Parent's Evening

Dear Parent/Carer,

Although the current situation means we must do things differently, it is still vitally important that we share your child's progress with you in order to build an even stronger bond and more fully support them during the current lockdown.

On the 4th February 2021 we are running an online Parent's Evening for Year 9 students, from 4-7pm. The appointments will be via phone or Microsoft Teams. This will give tutors an opportunity to discuss Attitude to Learning (ATL) Scores, attendance this year and engagement in lessons during lockdown. The tutor will also be able to answer any other questions you may have about your child's year so far at Meden.

You can book an appointment through My Child at School (MCAS) and there is a guide attached to this letter. Full instructions on how to use the portal can be found on the school website by clicking [this link](#). If you do not have My Child at School contact office@medenschool.co.uk and we can either supply you with log on details or book an appointment on your behalf. Please be mindful when emailing school that your selected time may already have been booked by someone through MCAS, so we will contact you with an alternative time as close to your original request as possible.

When booking an appointment, please select your child's form group from the list and choose a time that is available. All appointments will default to a phone call but if you would prefer a video call via Teams, please email on office@medenschool.co.uk after you have made your booking and we will schedule a Teams video call for the time you have booked.

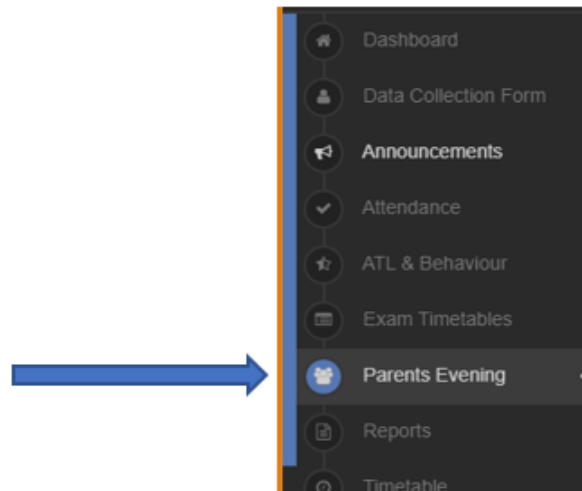

For those not familiar with video calls, as we are using Microsoft Teams there is no need for you to download any software and you can use a phone, tablet or laptop for a video call. If you choose a video call the tutor will send you an email invite to your email before the 4th February for the time you have selected. When you accept the invitation sent via email, it will then appear on the calendar at the proposed time. You can join the Team call from there, much as the children do for their live lessons. We look forward to hearing from you.

Kind regards,

David Penman
Assistant Headteacher Behaviour and Standards

Booking Parents Evening Appointments in MCAS

The Parents Evening option is accessible from the Menu Bar.

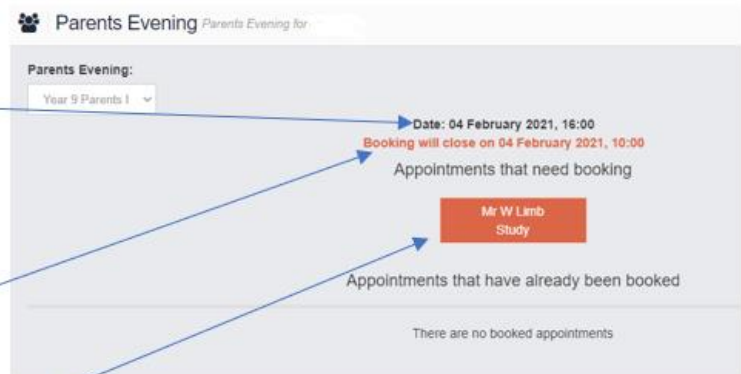

The Parents Evening option displays the information about any upcoming Parents Evening.

Along with the date of the Parents Evening a list of appointments that need to be booked and a closing date for making bookings will be displayed.

Click on the tutor's name to book an appointment time.

Click on the 'book' option, slots that are not available will be blocked out.

The page will then display the appointment that you have booked with your child's tutor.
