

14th September 2020

Dear Parent/Guardian,

It has been wonderful to welcome Year 11 students back to Meden. We have been extremely impressed with their attitude to learning and their clear determination to set high aspirations in their studies, so that they achieve their very best this year. They have shown incredible resilience over the past five months and we are very proud of them.

We would normally invite you into school at this time of year to talk about the importance of this year for your children but, as with many things, we will have to do this remotely this year. To that end, we shall text you a link, on Thursday 17th September, showing two short videos, giving you key information about your child's education during this pivotal year. The videos will be available for 24 hours.

As always, please do not hesitate to contact your child's tutor if you have any questions.

Yours faithfully,

Mrs Brett
Deputy Headteacher
