

Year 11 Parent's Evening

November 17, 2020

Dear Parent/Carer,

As we enter the second half of this term, we now have less than 100 days before the start of the final GCSE exams. An important part of a student's final year is progress evening and this year's event will need to be managed slightly differently. It is, of course, still vitally important that we share your child's progress with you, enabling us to fully support them to ensure they feel confident enough to reach their true potential and achieve in their final exams.

On the 3rd December, Parent's Evening will be held as an online event between 4-7pm. Appointments will be via the phone or Microsoft Teams. This will give your child's tutor an opportunity to discuss the following things:

- Attainment in the recent mock exams,
- Attitude to Learning Scores,
- Attendance
- Answer any other questions you may have about your child and the GCSE exams.

You can book an appointment time on the school website using the address below.

www.medenschool.co.uk/parents

Please select the correct form group from the list, choose an available time and whether you would prefer the meeting to be a phone or a video call. Please include all relevant contact details on the form and a contact telephone number. As we are using Microsoft Teams there is no need for you to download any software and you can use your phone, tablet or laptop for a video call.

We look forward to hearing from you.

Kind regards,

David Penman
Assistant Head Behaviour and Standards
