How the reading passport works:

Welcome to the Meden School Reading Passport. This passport contains reading recommendations for Year 7 readers. There is a fantastic range to get your teeth stuck into and there is something for everyone.

When you start, you are advised to begin with texts that are within your colour bands.

All your teachers are familiar with many of the books on the passport, so ask for any other recommendations also.

You will be rewarded the more you read. Simply ask your parent/guardian/buddy reader/ librarian to sign off once completed.
